

NHS Bursary applications - Autumn 2017

Meet your application window deadline to **guarantee you have a bursary payment in place** ready for the start of your academic year. New students receive payment within 10 working days of your university confirming to us you've enrolled and attended your first day.

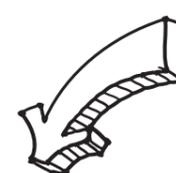

New students (non medical/dental):

The first year of your course commences in:

*Date you can apply from:
(if you have an offer of an NHS funded place)*

*Apply for your bursary by:
(and send in all supporting evidence)*

September 2017

6 March 2017

21 August 2017

October 2017

6 March 2017

21 August 2017

A capped number of eligible new students in the groups below can apply for an NHS Bursary in 2017/18:

- Postgraduate students
- Dental Hygiene and Dental Therapy students
- Part-time students

More details about the rules and how these arrangements will work will be published on our website at: www.nhsbsa.nhs.uk/Students

In all cases, we **must** receive your bursary application, which includes all supporting evidence, within six months of the first date of your academic year. Any back payments you are due will be made to you on the next available payment run after your application has been approved.
