

Vaccine Damage Payment Scheme

Your claim form for a Vaccine Damage Payment on behalf of someone who has died

Complete this claim form if you believe the person you are representing has been severely disabled as a result of a vaccine listed within the Vaccine Damage Payments Act 1979. For a list of vaccines and advice regarding eligibility, please visit: www.gov.uk/vaccine-damage-payment/eligibility

If you need help with completing this form, please contact the Vaccine Damage Payment Scheme:

Email - nhsbsa.vdps@nhs.net

Telephone - 0300 330 0013

You must send the completed claim form to the Vaccine Damage Payment Scheme to arrive no later than:

- the end of the 6 year period, which started on the date of the vaccination to which the claim relates; or
- if the disabled person has died, the date they would have reached the age of 21, whichever is the latest date.

If you are claiming on your own behalf, or on behalf of someone who is not capable of managing their own affairs, please complete the appropriate form at www.nhsbsa.nhs.uk/vaccine-damage-payment or contact us at nhsbsa.vdps@nhs.net or on 0300 330 0013.

As you are claiming on behalf of someone who has died, please send us a copy of their death certificate and one of the following documents:

- letter of administration
- Last Will and Testament
- grant of probate
- Deed of Trust

Part 6 - Effect on benefits you receive

If your claim is successful, a Vaccine Damage Payment can affect your benefits and entitlements like:

- Income Support
- Income-based Jobseeker's Allowance
- Working Tax Credit
- Child Tax Credit
- Universal Credit
- Pension Credit
- Housing Benefit
- Council Tax Reduction
- Employment and Support Allowance

If you get a Vaccine Damage Payment, you must tell the office that deals with your benefit or tax credit claim. You can get contact details from letters they have sent you.

Part 7 - Declaration

Declaration A1

I confirm that I am acting on behalf of a person who has died, named in **Part 2**, and I manage their estate. I consent to the access and examination of their medical records in connection with the claim or any appeal made under the Vaccine Damage Payments Act 1979.

I give consent and authority to the following to access the medical records:

- the NHS Business Services Authority
- any doctor advising the NHS Business Services Authority
- any organisation with which the NHS Business Services Authority has a contract for the provision of medical services, or any doctor providing services to that organisation

Records will be provided in accordance with the Access to Health Records Act 1990, granting rights to appropriate individuals access to health records.

I also give them consent and authority to make a subject access request to the people and/or organisations mentioned on this form for any information which is needed to deal with (either):

- this claim for a Vaccine Damage Payment
- any request for this claim to be looked at again

I consent and give authority that such information may be given to that doctor, organisation or the NHS Business Services Authority to help carry out its policy responsibilities for the Vaccine Damage Payment Scheme.

I declare that the information given within this claim is complete and accurate. I understand if I withhold information, provide false or misleading information relating to my claim I may be liable to prosecution and my application withdrawn.

Part 7 - Declaration continued

I understand that NHSBSA may use and share information I provide in relation to this claim internally and with Department of Health and Social Care (DHSC), NHS England (NHSE) and NHS Counter Fraud Authority (NHSCFA) for the purposes of the prevention, detection, loss measurement, investigation and prosecution of fraud or any other unlawful activity affecting the NHS.

By agreeing with and signing this declaration, I accept and agree to all the conditions specified above. I understand that if I withhold information or provide false or misleading information, I may be liable to prosecution and / or civil proceedings.

Part 8 - How we collect and use information

The NHS Business Services Authority collects information to deal with claims for Vaccine Damage Payment:

- to assess and make a decision on your claim
- to deal with any appeal

The Department of Health and Social Care may access your information in order to help it carry out its policy responsibilities for the Vaccine Damage Payment Scheme.

We may get information about you from others for any of our purposes if the law allows us to do so. We may also share information with certain other organisations if the law allows us to. To find out more about how we use information, visit our website www.nhsbsa.nhs.uk/vdps-privacy-notice or contact us.

Part 9 - What to do now

- Make sure you enclose with this claim form any medical documents and records of vaccinations you want to send us. We can only accept photocopies. Do not delay sending in this claim if you are waiting for these documents.
- Check that you have filled in as much of the form as you can and that you have signed and dated it.
- Return this claim form to
Vaccine Damage Payment Scheme
NHS Business Services Authority
Unit 5
Greenfinch Way
Newburn Industrial Estate
Newburn
NE15 8NX
- If we need any more information we will get in touch with you.
- If you are entitled to a Vaccine Damage Payment we will write to tell you.
- If you are not entitled to a Vaccine Damage Payment we will write to tell you why and what to do if you disagree with the decision.

Notes - For your information

Other help

The main benefits available specifically for disabled people are:

- Disability Living Allowance
- Personal Independence Payment
- Armed Forces Independence Payment
- Working Tax Credit

People who provide a substantial amount of care to a disabled person may get Carer's Allowance.

In the case of bereavement from vaccination, a relative may also qualify for Bereavement Support Payment for immediate assistance.

You may also qualify for other benefits such as Income Support or Housing Benefit. For more information and advice about benefits:

- contact Jobcentre Plus
- visit the website at www.gov.uk/browse/benefits

If you wish to apply for a reduction in your Council Tax, or find out more about it, please contact your local authority.

If you are disabled you may get special help from the social services department of your local council. The help available depends on local circumstances and their assessment of your needs.

Effect on benefits and tax credits

You may find your benefits and tax credits change as a result of this payment. A payment under the scheme may change how much you get. Benefits that might change include:

- Income Support
- income-based Jobseeker's Allowance
- income-related Employment and Support Allowance
- Universal Credit
- Pension Credit
- Child Tax Credit
- Working Tax Credit
- Housing Benefit

The changed amount depends on a number of things, including whether the payment is put into a trust and, if so, the type of trust and the type of payments made from it. You can get more information from the office that pays the benefit.

A Vaccine Damage Payment could also affect any entitlement to a reduction in Council Tax. To find out more about it, please contact the local authority.

You must tell the office that pays the benefit about a Vaccine Damage Payment if you or your partner, if you have one, get any of these benefits **and**

- you or your partner are the disabled person, **or**
- the disabled person is treated as part of your family.
