## Log in using your Learning Hub or elfh credentials

This page gives you instructions for how to log in to the Learning Hub using your Learning Hub or elfh credentials.

**Important:** You can only log in if you already have a Learning Hub account. If you don't have an account, you'll need to [Create a new account](#).

To log into the Learning Hub, complete the following steps:

1. Enter your **user name** into the text box.
2. Enter your **password** into the text box.
3. Select the 'Continue' button.

Once you have logged in to the Learning Hub, you'll then be able to [access the NHS Jobs eLearning catalogue](#).

If you have any issues logging in, complete one of the following steps:

4. Select the '[Forgotten username or password](#)' link.
5. Select the '[Create a new account](#)' link.
6. Select the '[Log in with OpenAthens](#)' link.

The screenshot shows the NHS Learning Hub login interface. At the top is the NHS logo and 'Learning Hub' text. The main heading is 'Access your Learning Hub account'. Below this is the sub-heading 'Login with your Learning Hub or elfh credentials'. A note states: 'Please note that if you login to either the elfh Hub or Learning Hub from an external organisation using Single Sign On (SSO), please navigate back to your organisation and re-attempt logging in from there.' The form contains three input fields: 'Enter your username' (with a note 'A username is different to an email address'), 'Enter your password', and a green 'Continue' button. Below these are links for 'Forgotten username or password', 'Create new account', and a grey 'Continue with OpenAthens' button. Numbered callouts (1-6) are placed next to each of these elements to correspond with the instructions in the text above.

## Forgotten username or password

This page gives you instructions for how to reset your username or password on the Learning Hub.

**Important:** To reset your username or password, you must enter the email address that is registered with the Learning Hub.

To reset your username or password, complete the following steps:

1. Enter your **email address** into the text box.
2. Select the 'Continue' button.

## Sign in with an OpenAthens account

This page gives you instructions for how to sign in to the Learning Hub using your OpenAthens credentials.

To sign in with an OpenAthens account, complete the following steps:

1. Enter your **OpenAthens email address or username** into the text box.
2. Enter your **password** into the text box.
3. Select the 'Sign in' button.

The screenshot shows the NHS OpenAthens sign-in interface. At the top is the NHS logo. Below it is a white sign-in box with the heading "Sign in with an OpenAthens account". The form contains three main elements: a "Username" field with a placeholder "Email address or username" (marked with a yellow circle '1'), a "Password" field with a placeholder "Password" and a "Show" button (marked with a yellow circle '2'), and a blue "Sign in" button (marked with a yellow circle '3'). Below the "Sign in" button is a link for "Problems signing in?". At the bottom of the page, there is a cookie consent notice and a "Powered by OpenAthens" logo.
