

**ARRANGEMENTS FOR PAYMENT FOR SPECIALS & IMPORTED UNLICENSED MEDICINES
WITH PRICES DETERMINED RELATIVE TO A COMMONLY IDENTIFIED PACK SIZE**

The arrangements laid out in this Part cover specials and imported unlicensed medicines to be paid relative to a commonly identified pack size.

Basic price of certain Specials and Imported unlicensed medicines

All unlicensed medicines listed in this Part have a pack size and a price which has been determined by the Secretary of State, based on information submitted by suppliers that hold a Manufacturer 'Specials' Licence or Wholesale Dealer Licence as issued by the Medicine and Healthcare products Regulatory Agency (MHRA). The price listed in respect of a drug specified in the following list is the basic price on which payment will be calculated pursuant to Part I Clause 5B 1 for the dispensing of that drug. In calculating Part VIID reimbursement prices, for tablets and capsules, pack sizes up to and including 250-unit doses will be considered.

Formulations - The Tariff covers the formulations specified. The following symbols are used in Part VIID.

| | |
|-----|----------------------------|
| STD | Standard formulation |
| SF | Sugar free |
| AF | Alcohol free |
| CF | Colour free |
| FF | Flavour free |
| LF | Lactose free |
| NSF | Non standard flavours |
| PF | Preservative free |
| ■ | Special Container |
| § | Selected List Scheme (SLS) |

The price of each product listed in this Part covers the formulations specified and this price will be paid regardless of how the product was sourced.

Endorsement requirements above Part II Clause 9

It is not necessary to endorse prescription forms for unlicensed medicines listed in this Part other than with the endorsement requirements outlined in Part II Clause 9. Broken Bulk may be claimed if necessary, unless the unlicensed medicine is classed as a special container. To claim for Broken Bulk, contractors should refer to Clause 11, Part II and contractors should endorse the prescription with 'BB'.

If the unlicensed medicine is obtained from a supplier holding a MHRA Manufacturer 'Specials' Licence or Wholesaler Dealer Licence, the contractor shall endorse the prescription with the initials 'SP' to claim the additional fees payable for dispensing unlicensed medicines.

The 'ED' endorsement would only apply if the unlicensed medicine has been prepared under the manufacturing part of the Section 10 exemption from the Medicines Act 1968, by the contractor or by a third party. In this case, the contractor shall endorse the names, quantities and cost of ingredients used in preparing the special. However, it is unlikely that products listed in this Part would be prepared using this exemption.

Arrangements for payment for all other Specials and Imported unlicensed medicines

Prescriptions for specials and imported unlicensed medicines not listed in the Drug Tariff Part VIIB and Part VIID will be paid depending on how the special was sourced and the price endorsed on the prescription form.

- Where the unlicensed medicine is manufactured under a Manufacturer 'specials' Licence or Wholesale Dealer Licence issued by the MHRA, the contractor shall endorse:
 - the initials 'SP' to claim the additional fees payable for dispensing unlicensed medicines
 - pack size from which the order was supplied
 - invoice price per pack size from which the product was supplied **less** discount/rebates
 - manufacturer's/wholesaler's licence number
 - batch number of the unlicensed medicine.
- Where the special has been prepared under the manufacturing part of the Section 10 exemption from the Medicines Act 1968, by the contractor or by a third party, the contractor shall endorse the names, quantities and cost of the ingredients used in preparing the special and endorse the prescription form with the initials 'ED' to claim the additional fees payable for dispensing unlicensed medicines prepared using this exemption.

Contractors should follow the requirements on record-keeping as set out in Part VIIB.
